

ChunChe "Lance" Fung

Candidate for 2021-22 Director-Elect

IEEE Region 10 (Asia-Pacific)

Statement

I will dedicate my time, professional experience and practical knowledge to:

- **Support innovative projects** to address local issues in alignment with IEEE Mission, Vision and Strategic Plan
- Actively **represent the Voices and Concerns** from R10 in IEEE Boards and Committees
- Develop **strategies to improve the Values, Benefits and Experience** for R10 memberships
- Encourage **R10 volunteers to participate in decision making**, and **public recognition** of their contributions
- Establish and support **Collaborative Schemes** between Students, YP, WIE, High-grade members and members through networking and joint projects
- Promote sustainable **"Humanitarian Technology"** projects

Biography
